Seaside Staffing Company

For over a decade, Seaside Staffing Company has been taking care of Southern California's households with all of their domestic staffing needs. Domestic services include placement of nannies, estate level housekeepers, chefs, house managers and personal assistants. Seaside's philosophy, personal approach and commitment to service, have led to thousands of successful placements in all facets of the domestic arena, establishing Seaside Staffing Company as the most reliable source for finding in-home care in southern California. The Seaside team is known to go above and beyond industry standards with honesty and integrity as each candidate is a direct reflection of their core values. Their professional matchmaking skills have made them experts in their field. Their offices in San Diego, Orange County and Los Angeles are always available for support before, during and after the process.
